Notice-cum-Addendum No. 10 of 2025 (Contd.)

Change in features of Bandhan Hybrid Equity Fund and Bandhan Balanced Advantage Fund of Bandhan Mutual Fund (formerly IDFC Mutual Fund) (Contd.)

3. Additions in the SID and KIM of Bandhan Balanced Advantage Fund and Bandhan Hybrid Equity Fund: (Contd.)

Risks of writing covered call options for equity shares:

- Writing call options are highly specialized activities and entail higher than ordinary investment risks. In such an investment strategy, the profits from call option writing are capped at the option premium, however, the downside depends upon the increase in value of the underlying equity shares. This downside risk is reduced by writing covered call options.
- The Scheme may write a covered call option only in case it has an adequate number of underlying equity shares as per regulatory requirements. This would lead to setting aside a portion of investment in underlying equity shares. If covered call options are sold to the maximum extent allowed by the regulatory authority, the scheme may not be able to sell the underlying equity shares immediately if the view changes to sell and exit the stock. The covered call options need to be unwound before the stock positions can be liquidated. This may lead to a loss of opportunity or can cause exit issues if the strike price at which the call option contracts have been written become illiquid. Hence, the scheme may not be able to sell the underlying equity shares, which can lead to temporary illiquidity of the underlying equity shares and result in loss of opportunity.
- The writing of covered call option would lead to loss of opportunity due to appreciation in value of the underlying equity shares. Hence, when the appreciation in equity share price is more than the option premium received the scheme would be at a loss.
- The total gross exposure related to option premium paid and received must not exceed the regulatory limits of the net assets of the scheme. This may restrict the ability of Scheme to buy/write any options.

II. Investment Restrictions

The following details will be added under the existing section on 'What are the Investment Restrictions' of Bandhan Hybrid Equity Fund and Bandhan Balanced Advantage Fund:

Investment Restrictions for Covered Call Strategy:

The scheme can write Call options only under a covered call strategy for constituent stocks of NIFTY 50 and BSE SENSEX subject to the following:

- The total notional value (taking into account strike price as well as premium value) of call options written by the scheme shall not exceed 15% of the total market value of equity shares held in the scheme.
- The total number of shares underlying the call options written shall not exceed 30% of the unencumbered shares of a particular company held in the scheme. The unencumbered shares in the scheme shall mean shares that are not part of Securities Lending and Borrowing Mechanism (SLBM), margin or any other kind of encumbrances.
- At all points of time the scheme shall comply with the provisions at points (a) and (b) above. In case of any passive breach of the requirement in paragraph (a) above, the scheme shall have 7 trading days to rebalance the portfolio. During the rebalancing period, no additional call options can be written in the scheme.
- In case the scheme needs to sell securities on which a call option is written under a covered call strategy, it must ensure compliance with paragraphs (a) and (b) above while selling the securities.
- In no case, the scheme shall write a call option without holding the underlying equity shares. A call option can be written only on shares which are not hedged using other derivative contracts.
- The premium received shall be within the requirements stated in paragraph 12.25 of the Master Circular i.e., the total gross exposure related to option premium paid and received must not exceed 20% of the net assets of the scheme.
- The exposure on account of the call option written under the covered call strategy shall not be considered as exposure in terms of paragraph 12.24 of the Master Circular.
- The call option written shall be marked to market daily and the respective gains or losses factored into the daily NAV of the scheme until the position is closed or expired.

All other features of the Schemes except those mentioned above and changes as per any regulatory provisions, will remain unchanged.

The above proposal is a change in Fundamental Attributes of the specified scheme as per Regulation 18(15A) and 25(26) of the SEBI (Mutual Funds) Regulations, 1996.

In line with regulatory requirements, for schemes where a change in fundamental attributes is being proposed, we are offering an exit window ("Exit Option") to the Unit holders of 30 days (minimum 30 days) from February 17, 2025, to March 18, 2025, (both days inclusive) ("Exit Option Period"). These changes will be effective from March 19, 2025, ("Effective Date"). During the Exit Option Period, unit holders not consenting to the change may either switch to any other scheme of Bandhan Mutual Fund or redeem their investments at applicable Net Asset Value without payment of exit load subject to provisions of applicable cut-off time as stated in the Scheme Information Document of the Schemes. All transaction requests received on or after March 19, 2025, will be subject to applicable exit load (if any), as may be applicable to the Schemes. Please note that unit holders who do not opt for redemption on or before March 18, 2025, (upto 3.00 p.m.) shall be deemed to have consented to the changes specified herein above and shall continue to hold units in the scheme of Bandhan Mutual Fund.

Redemption / Switch requests, if any, may be lodged at any of the Official Points of Acceptance of Bandhan Mutual Fund.

The above information is also available on the website of Bandhan Mutual Fund viz., www.bandhanmutual.com.

Unit holders who have pledged / encumbered their units will not have the option to exit unless they submit a letter of release of their pledges / encumbrances prior to submitting their redemption / switch requests.

It may be noted that the offer to exit is purely optional and not compulsory. If the Unit holder has no objection to the aforesaid change, no action is required to be taken and it would be deemed that such Unit holder has consented to the aforesaid change.

Please note that unit holders who do not opt for redemption on or before March 18, 2025, (upto 3.00 p.m.) shall be deemed to have consented to the changes specified herein above and shall continue to hold units in the scheme of Bandhan Mutual Fund. In case the unit holders disagree with the aforesaid changes, they may redeem all or part of the units in the Schemes of Bandhan Mutual Fund by exercising the Exit Option, without exit load within the Exit Option Period by submitting a redemption request online or through a physical application form at any official point of acceptance/investor service center of the AMC or to the depository participant (DP) (in case of units held in Demat mode). Unit holders can also submit the normal redemption form for this purpose.

The unit holders of the Schemes are also being individually informed about the details of the change in the fundamental attributes through a separate written communication. In case the unit holder has not received the written communication, investor can contact our customer care / investor service centre or visit our website i.e., www.bandhanmutual.com.

This Notice cum Addendum forms an integral part of the SID and KIM of the Schemes from time to time. All the other terms and conditions of the SID and KIM, read with the addenda issued from time to time will remain unchanged.
